Today after breakfast embark on a day long three islands cruise. One of the most sought-after activities. It covers a panorama of seven harbor that include the North Bay and Ross Island. It leaves a lasting impression. Visit Ross Island. Once the administrative headquarters of the British and capital of these Islands, the island is now under the Indian Navy. It stands now as a ruin of the bygone days with the old structures almost in debris. There is a small museum named Smritika, it holds photographs and the other antiques of the Britishers relevant to these islands. The island is famous for friendly flocks of Deer and lush green walking trails. North Bay, the water lovers may enjoy snorkeling or take a Glass Bottom boat ride (Optional on direct payment) in its shallow waters with a chance to see corals up close. Return to the hotel. Overnight at the Hotel. Did you know: Andamans is known for its marine life and it has world class Scuba Dive centers, Scuba doesn't require swimming skills! Yes, many people do not attempt it thinking that knowing swimming is important, but that's far from reality. Though we recommend you book your Scuba in advance, it is safe and reliable.
