day 2

Samode

After breakfast get ready for a real heritage experience - Depart for Camel Safari on individual gaily-decorated camels or camel carts through the scenic countryside located close to the green Aravali hills, open fields and village hamlets. Experience the earthy nature of life in the desert - observe men in their imposing turbans, women in their colorful skirts and stoles, playful children scampering along. As you ride on the camel past rocky hillocks, keep your cameras ready to capture views of the imposing forts, tall dry elephant grass and sudden startled calls of a peacock or a partridge, a unique experience. Return back to Hotel, and rest of the time is free to experience in-house Spa and wellness Therapy (included). If interested, one can walk through the cobbled lanes of the Samode village into the local market, stopping by the little shops of the bangle maker, the cloth merchant, and the gemstone experts. Stay overnight at hotel.

Highlights: - Camel / Camel Cart Ride around Samode.- 45 Minute Spa and wellness therapy.
