Hop on Hop off bus tour

Madrid is a city full of historical monuments, modern architecture and places you have to see. Hop aboard the hop on – hop off bus tour and don't miss one corner of this beautiful city. See Madrid at your own pace with no hurry or hassle thanks to this scenic tour aboard a double-decker bus. Enjoy panoramic views of Spain's vibrant and fascinating capital city from the top of this open–roofed double-decker bus. This hop on-hop off tour gives you complete flexibility to get on and off as many times as you want. Explore the city at your leisure with the same ticket, changing between either of two routes at any time, and getting to know more about the history of Madrid with a convenient audio headphone system in 14 languages. There are different routes available, covering historical and modern Madrid. You'll be driven through the elegant squares and baroque buildings of Habsburg Madrid, through bustling broad boulevards and sleepy squares, where time seems to have to stood still, thus seeing surprising, unknown angles on this modern metropolis. The buses are equipped with the latest technology, offering you a comfortable, fully comprehensive tour. You'll receive a map and guide indicating all the stops on each route, and a book of vouchers offering discounts at a series of commercial establishments throughout the city. The frequency of the services depends on the time of year, with buses passing regularly every between eight and 15 minutes. This is definitely the easiest and most attractive way to see Madrid.

day 5

OPTIONAL TOUR - Montserrat Monastery Excursion

Travel to the Montserrat Monastery and discover the spirituality of this magical place, located on a sacred mountain only an hour away by car to Barcelona. This iconic symbol of Catalonia is not only known for its important religious properties but also for the natural beauty of its surroundings. Explore one of the biggest icons of Catalan culture, with the help of a helpful bilingual tour guide who will be able to tell you the interesting history of the monastery and the changes it has undergone from its historical beginnings to the present. The monastery´s origin began in the hermitage of Santa María in the year 888 and between the years 1493 and 1835, a time of great growth and splendour, it became part of the Congregation of Valladolid. Although the majority was lost during the Napoleonic War, the museum gathers a valuable set of artistic elements that you cannot miss. See objects related to the countries listed in the Bible, such as Mesopotamia, Cyprus, Egypt and Palestine, and admire an ancient collection of paintings from the 13th to the 18th century, in which you will find works by artists such as El Greco , Morales, Berruguete or Caravaggio. Fall in love

with the architecture of the Basilica which combines Gothic and Renaissance styles. Observe its atrium and its sacristy as well as an interesting permanent exhibition on the image of the Virgin which shows how it has changed over the years. In the audiovisual exhibition you will also have the opportunity to appreciate the talents of the singers, composers and teachers that make up the Choir of Montserrat.
