day 5

Wine Tasting & Barbecue in the Vineyards

Breakfast at the hotel. Enjoy a vineyard tour and wine tasting. Today's activity is a tour out of the conventional. The intention is to understand wine from a different perspective, from a path that starts in geology, develops in agronomy, and concludes in oenology. With this vineyard tasting, you'll be able to appreciate all that goes into the development of the region's wines. Start with a walk through the vineyards to the Test Pits. . Enjoy a pairing of selected cheeses with a wine born out of different soils. Continue to tour the winery and head to the Tasting Room and have another tasting here. The tour ends with a typical Argentinean asado (barbecue) in the vineyards. Later, head to a spa that offers aromatherapy and vino therapy treatments. These techniques hydrate and nourish the body with rich minerals and spring water packed with antioxidants. The treatments strengthen blood vessels and enhance circulation. The spa is also equipped with a cedar wood sauna, an aroma steam room, a wet sauna, deep soaking hydrotherapy baths, treatment rooms, interior and exterior relaxation areas, a fitness centre, and a hammam-style room. Relaxation and serenity continue outside with an infinity pool, a jacuzzi, a solarium, and a peaceful lagoon. Overnight at Mendoza Vineyards boutique hotel.
